יהוה

If you are reading this, I am Son of Man, Brethren to the Lord our God's only begotten son Christ the Son of the Blessed. How many times have I faxed you according to your recollection? How many times was I in prison and you did not come to me according to your recollection? How many time have you taken the name of the Lord in vain according to your recollection? Beat your chest Israel is being attacked and I need proof Flesh should survive. I am fairer than those that defeat the enemies of men. Men are mass murderers I have proof! Christ being alive is not legal, I have proof. I am filled with the indignant spirit of the Lord the King of Israel. You are mere men, mere mass murderer kin, Fathom the extent of your knowledge. If I'm not your family, then continue to prove it.

These are powerful words, "American's need to mind their own business. They are routinely mass murdering the lives of their neighbors, those that should live are not allowed to legally, and those that should die are fed and protected, instead of policing the entire planet, the United States should mind their own business."

這些是強有力的話語，“美國人需要管好自己的事。他們經常大規模謀殺鄰居的生命，那些應該活著的人在法律上不被允許，那些應該死的人得到食物和保護，而不是對整個地球，美國應該管好自己的事。”

Это мощные слова: «Американцам нужно заниматься своими делами. Они регулярно массово убивают жизни своих соседей, тем, кто должен жить, не разрешается жить по закону, а тех, кто должен умереть, кормят и защищают, вместо того, чтобы охранять весь мир». планеты, Соединенные Штаты должны заниматься своими делами».

There is a very important reason why the first time you gain knowledge of someone like me that you welcome me, come to me when the government has murdered by life via thee enforcement of the judgments and condemnations of sinners with the supreme power of the republic, the reason is simplified to "I am Robert Michael Becker, even though Pope Francis said 'there is no such thing as a perfect family' I say 'there is such a thing as a perfect family, Love the Lord the Father of Israel is the Perfect father and son of the perfect family, and I chose the perfect family, I don't choose mass murderers.'"

Be wise and consider court in session this moment and every moment of your life that the Lord the Rock is alive legally. I am filled with the indignant spirit of Christ's father. Learn the truth, do not be willfully ignorant of the truth. Christ was crucified 2000ish years ago, and 2000ish years later, the Father's spirit spoke "Today is the day of my indignation, from this day forward, I shall be known as everlasting hate!" They not only say He wasn't crucified, they say He is not their God that the real God mutuwaffika-ed him. My advice is to be wise and consider your latter end. Consider 2 thousand years, consider actually having a mind competently aware of your life 2 million years from now looking forward. Do you believe with all the magical symbols written on my website the Lord is not able to "Leave your head intact so even in death he can fuck with your conscious?" What do you think the definition of torment is? I chose the Lord, I do not chose mass murderers that say they are the body of Christ, they honor their father by siding with the enemies of Israel. I invoked mystic matrimony. Don't say Amen the Lord, say The Lord the King of Israel. Men are mass murderers, I have proof! You mass murderers should be honest about what you believe, perhaps even sing "Can't touch this" after you prove to be the Enemies allies, not the God of Israel's allies. I saw Christ return with my own eyes and to me, acting like He hasn't returned is business as usual for 2000ish years.
